## **Environmental Policy**

---

Oak Business Services Limited is fully committed to the protection of the environment and to the promotion of procedures which prevent pollution and minimise the environmental impact of its operations.

**Oak Business Services Limited is specifically dedicated to meeting the following aims:**

- Comply with and where possible exceed relevant environmental legislation throughout all stages of our business activities and operations.
- Wherever possible use suppliers or contractors that have environmental standards that are compatible with our own.
- To monitor our environmental policy on a regular basis and when necessary update it to take into account new developments and best environmental practice.
- To control the waste management and recycling activities of our customers through the development of policies and procedures that ensure waste is always recycled or disposed of in a safe and responsible manner.
- Seek to minimise the volume of waste generated and maximise the amount of waste reused or recycled.
- Ensure that our responsibility for environmental issues is understood throughout the company.
- Minimise health and safety risks to employees and the communities in which we operate.
